My Last Notice

At the Norwegian Explorers Annual meeting, I stepped down and Tom Gottwalt was elected President of the Explorers. Phil Bergem moved into Tom's spot as Vice President. It has been an exciting, fun filled 11 years serving as your President and it has been an honor and a privilege. I now start a new chapter in service to the Sherlockian world - as President of the University of Minnesota's Friends of the Sherlock Holmes Collections. Thank you for all your support.
